

How to act

To let us know your decision simply complete the form you received with your personal illustration and change guide, and return it in the pre-paid envelope provided. If you have mislaid the envelope you can post your form to:

NR RPS CHANGE
PO BOX 300
Stooperdale Offices
Brinkburn Road
Darlington
DL3 6EH

If you need a new form you can download one from the www.myNRpension.co.uk website, or request one by calling 0800 2 343434.

Please ensure you have read the form and completed all sections as required. Remember, changing to RPS 65 is a one-off option only; you will not get another option in the future, and your decision cannot be reversed.

Once our administrator, RPMI, has received your form, you will receive a letter confirming whether you have chosen to stay in RPS 60, or move to RPS 65 from July 2012.

The deadline for RPMI to receive completed forms is Friday 8 June 2012. If they do not receive your form by this date you will remain in RPS 60.
